

HORIZONS

continuing development for outdoor professionals

Published by the Institute for Outdoor Learning - the membership organisation for outdoor professionals and practitioners.

HORIZONS is a key tool for continued development for outdoor professionals.

As outdoor professionals, readers of Horizons are continuing their own development and increasing their knowledge to transfer to their own practice and so improving outdoor learning experiences for their clients and themselves.

Readership

Current readership is in the region of 2,500. Each organisational member of IOL, 450 organisations, (employing approx. 1500 staff in total) receive up to 4 free copies of Horizons. All Accredited Practitioners of IOL receive Horizons as part of their membership as it is considered to be a vital part of their continuing professional development. Subscriptions are also sent to many individual practitioners, leaders, freelance instructors, teachers, youth workers, and students.
