

Institute for Outdoor Learning

internationally renowned as the keystone for quality in outdoor learning

HORIZONS - the quarterly publication for continuing professional development for outdoor practitioners

Colour illustrated articles on diverse topics:

- Personal and Professional Development
- Activity Ideas
- Development Training and Leadership
- Environmental Matters
- Expedition, Exploration and Adventure
- News and Views
- Outdoor Experiences
- Professional Matters
- Health & Safety
- Sport and Recreation
- Theory into Practice

Horizons is published with strictly limited advertising page allocation to ensure that as many articles and topics as possible are covered. With an expert outdoor practitioner as editor and a team of contributing editors covering the key aspects of the

topic we can draw on a wealth of knowledge, practical and inspiring ideas and informative articles.
