

HORIZONS magazine

Professional development in outdoor learning

- Horizons shares good practice articles written by Outdoor Learning professionals, for Outdoor Learning professionals
- All current IOL members get a free subscription to Horizons included as part of their membership

Whether you are new, or a veteran member of our community, there's something for everyone in Horizons:

- Inspiration
- Reflections
- Latest research
- News
- Resource info
- Guidance
- ...and more.

... a great magazine for professionals”

...helping to share what we learn on our journeys discovering the great outdoors”
