## **The Outdoor Education Department**

The Outdoor Education Department at The Perse is a dedicated full-time department that delivers outdoor activities for students attending The Perse School and to members of the public via The Perse Climbing Academy. Outdoor education has a long history at The Perse, starting with the 5<sup>th</sup> Cambridge Scout Group, which first met in 1909.

Over the years the Scout Group was transformed into a separate organisation known as the Perse Exploration Society (PES) with a wider scope for challenging activities and expeditions. The aim of the Perse Exploration Society is to provide students with leadership and learning opportunities outside of the classroom. Most of all the Perse Exploration Society gives Perse students the chance to experience travel and adventure in some of the remotest places on earth and come away with lifelong memories. Today, the Perse Exploration Society is split into a number of groups which provide students with a progressive outdoor education from Year 3—13.

The Outdoor Education Department also delivers curriculum based climbing games lessons from Yr 9-13 and a wide range of specialist extracurricular clubs and commercial climbing activities. Extra-curricular clubs include Climbing Club, Paddlesports Club, Woodworking Club and Archery Club.

In 2024 we established Perse Climbing Academy, aimed at delivering commercial climbing activities to members of the public from our new purpose-built climbing wall. Further information about the new building can be found here: <u>The Perse School Sports Centre</u>. The Perse Climbing Academy delivers courses to adults and children. We offer National Indoor Climbing Association Scheme (NICAS) courses, public access climbing, taster sessions and bespoke events such as birthday parties and corporate events.

All Outdoor Education Department staff instruct across all areas of provision, developing their skills in both school and public instruction.
