08 About the Conference and hints

Taking place over **Global Outdoor Learning Day 2025**.

Theme: What is Outdoor Learning for?

Themed according to continents, the Conference will move eastwards following the sun, over the two half days. **Timings are GMT.**

Your ticket will allow you to log in to the Conference online and **manage your own profile** and experience moving from session to session as well as choose to network with other delegates.

The Conference will bring speakers, presenters and attendees together online in the Zoom Conference platform. It will feature an **interactive lobby** that closely resembles the lobby of an in-person event where you and other attendees can chat, network and join sessions.

It is **ESSENTIAL** that you to log in to the link for the conference in advance so that you can set up your profile, bookmark sessions etc and be ready to participate and network.

It would be a good idea to log in to the conference on a tab in your main browser then **open a new tab** to move around the sessions or for networking.

We found these useful videos with guidance for joining and participating in a Zoom Conference. The **Zoom Channel on YouTube** has videos you might find it helpful to view before the event, such as these:

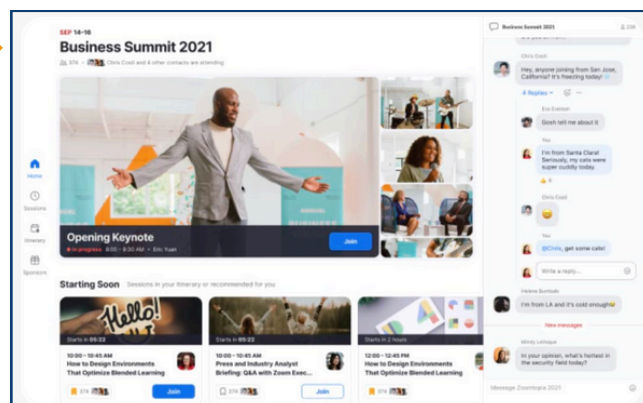

- **Joining a Zoom Meeting** - https://www.youtube.com/watch?v=pAMDxH_H-Cs
- **Using Breakout Rooms During a Meeting** - https://www.youtube.com/watch?v=9Q_4O44yj0

See the **'How to' Guide** that we will send to you with your IOL booking confirmation. Members of the IOL team will be on-hand if you need help during the Conference.

Here is an example of what your screen display will be at the Conference.

There is a Conference Playlist

Follow the Conference Playlist on Spotify and listen to a growing selection of world music selected by our international presenters and speakers.

Our thanks to the Conference planning committee:

Dave Addis, Dave Brooks, Jo Barnett, Dave Harvey, David Hills, Bob Larcher, Pat Maher, Richard Retallick, Nick Stubbs, Mike Thomas, Colin Wood.
