

## Conferences, Expeditions and other misc. outdoor learning related events

### IOL International Conference 2025

**21-22 November ONLINE**

**At this conference we are seeking answers to the fundamental question of: 'What is Outdoor Learning for?'**

- This is an online event for international partnership working and cultural exchange.
- Our international Guest Speakers will inspire whilst also being relevant to practitioners in outdoor learning.
- Workshops will be interactive and encourage dialogue.
- This event is designed for anyone interested in outdoor learning, whether employed, self-employed, a volunteer or enthusiast and regardless of the stage of their journey.

Our Conference planning team are **currently recruiting Guest Speakers.**

Guest Speakers will be **national and international thinkers.**

Keep watching this space for future updates...

### Follow the Sun

The conference will be themed according to continents and move eastwards over the two half days.

### Objectives

The Conference will encourage interaction between **outdoor learning practitioners** from around the world and be **inspiring and relevant** to practitioners.

### Reach

This is an online conference for **international partnership** working and **cultural exchange.**
