Beyond the Classroom Conference 2026

24 April at High Ashurst, Dorking, Surrey.

Delegate fee £170

Now in its ninth year, this inspiring event brings together teachers, outdoor practitioners and learning advocates for a full day dedicated to the power of outdoor education. Expect hands-on experiences, practical ideas, and a chance to connect with others who share your passion for learning beyond classroom walls.

This is not a sit-and-listen event. It's a fully immersive day designed for educators who want to experience outdoor learning, not just hear about it. You'll take part in practical workshops, explore new approaches, and leave equipped with ideas you can use straight away in your own school or setting.
