T: 07736 225035 Dave dave@woodlandssurvivalcrafts.com

This is a 2-day, IOL-approved course designed very much for outdoor professionals/centre staff wanting to deliver short sessions of quality bushcraft. As a result it is often run as a bespoke course for 3 or more of your instructors. Course dates for individuals are available as listed and are sometimes being run at different locations around the country.

Site requirements to run a course at your venue are:

- a selection of fire places or bases
- enough trees or equivalent to use for tarp shelters
- toilets and water
- a covered area out of the wind.

Designed especially for Outdoor Centres and Professionals, our Bushcraft Competency Certificate Training three day course will build on your basic bushcraft skills, allowing you to enhance your existing bushcraft/forest school sessions.

As an approved training course with the Institute for Outdoor Learning, you will be able to use this along with a further 100 hours +/- of Bushcraft based experience in order to work towards the Bushcraft Competency Certificate. This award is increasingly recognised within outdoor learning circles as suitable clarification of safe and competent practice.

Whether you are a Forest School Leader, Environmental Education Officer or Outdoor Instructor, you will find the course incredibly beneficial – enhancing your bushcraft knowledge and confidence in teaching.

During the three days you will learn and enhance the key skills of bushcraft, including:

- Effective shelter building
- Confident and safe knife skills
- Successful friction fire lighting
- Efficient water filtering
- Inspiring tree identification
- String making
- Accurate direction finding

Over the years we have trained many teams in the UK and occasionally overseas. For centres and organisations wanting several staff members trained, please contact us to create your own course.

Bushcraft Competency Certificate training course (IOL Accredited)

Discover Tribe. 13-15 Oct 2025, at TRIBE Bushcraft Centre, Dronfield. Cost: £325/£300

All easily bookable online at <https://www.discovertribe.co.uk/events-for-adults/>

Peter Sutherland 07947722958 contactus@discovertribe.co.uk

At TRIBE, we are committed to helping you achieve the BCC. Our training courses span three days and include 24 guided learning hours. Whether you are an educator, instructor, leader, or simply someone passionate about the outdoors, this course is open to all who have an interest in bushcraft, though some prior experience is recommended. We provide a supportive and immersive environment where participants can hone their skills under expert guidance, preparing them for the next stages of certification. All trainees have access to our Google Classroom BCC group with helpful resources and a growing community.

Courses run 9am - 5pm each day, and participants are able to book camping over in the woods if desired.

Don't just take our word for it, here are some reviews from recent trainees:

"Absolutely fantastic course. Thoroughly enjoyed 3 days, great location, really good teaching from Pete. I would definitely recommend." - Luke, May '25 course

"An amazing course which hugely built on some basic skills I had and taught me many new skills. I feel more confident now to deliver workshops in my school setting to pass on these Bushcraft skills which otherwise would be lost to future generations.

The instructors were so patient and knowledgeable and really built my confidence as well as sharing far more tips and information than was planned for.

I cannot believe how calmly and confidently I walked around the camp with a fire, I started and grew, before setting it down on the ground! I can't wait to pass on those proud moments to our future generations." -

Donna, Mar '25 course.

Is 2025 your year to become a Certified Forest Bathing Guide? Want to be your own boss while nurturing a deeper connection with nature—for yourself, your clients, and the future of our planet? As nature lovers, we

share a common concern: while we cherish the natural world, the impact of climate change and biodiversity loss can feel overwhelming. We also crave a slower pace, a simpler life, far removed from the "more, more, more" mentality.

It can leave you wondering how to live a happy, healthy life and be part of the solution. What you're longing for is likely: a deeper connection to nature that eases anxiety and nourishes your soul; a fulfilling and financially rewarding career where you're in control; a strong sense of purpose; a feeling of belonging.

At Adore Your Outdoors, we believe Forest Therapy Guiding, with a business rooted in nature, offers a path to truly joyful living—for you and future generations. We believe those who nurture a sustainable future deserve both financial reward and deep fulfilment.

As a certified Forest Bathing Guide, you can:

- Be your own boss and revitalise your career.
- Embark on a profound journey of self-discovery.
- Become a certified, trusted professional.
- Create transformative experiences.
- Harmoniously combine purpose with profit.
- Join the Forest Bathing revolution.

Choose from the fully online learning path or a hybrid approach with a transformative week together in Hampshire. With three intakes in 2025, you can find the perfect fit for your schedule.

Shinrin Yoku (Forest Bathing) has been integrated into the Japanese healthcare system for over 45 years and is now endorsed by the NHS, lending legitimacy to your practice. Research consistently demonstrates long-lasting benefits, including stress reduction, improved sleep, enhanced immunity, and well-being.

Are you ready to answer the call of the wild?

Bushcraft Competency Training 2 days - IOL ACCREDITED

14th-15th March 2026. Woodland Classroom, Wrexham, N. Wales.

<https://woodlandclassroom.com/event/iol-bushcraft-competency-award/>

<https://woodlandclassroom.com/event/iol-bushcraft-competency-award-2/>

This accredited training course is designed for instructors, leaders and teachers who want to demonstrate that they follow good practice and have a high level of safety and competency in a range of bushcraft skills.

This 2 day course is designed for the outdoor learning workforce including FE/HE students, apprentices, instructors and teachers. It is suitable for a wide range of people working or volunteering in formal or non-formal settings such as early years, schools, colleges, outdoor centres, education centres, wildlife trusts, national parks, youth and voluntary organisations. Wherever you are on your journey into bushcraft we aim to bring your confidence and skillset forward to the next level.

This 2 day course is open to all with an interest in passing bushcraft skills and knowledge on to others. The course covers 5 key bushcraft skill units; edged tools – knives & saws, fire, water, tarp shelters & knots and campfire cooking.

Our weekend long course is all set against the backdrop of mixed woodlands, wetlands and open meadows of [Park In The Past](#), with 120 acres of wild space to explore. Students are encouraged to camp over in the woods, with the option of staying over on both the Friday and Saturday, or just Saturday night.

This course covers five essential bushcraft skillsets

Bushcraft Competency Certificate - IOL ACCREDITED

Various dates
Jack Raven Bushcraft. Jack Raven Bushcraft Camp, Kent. 07553 763397, info@jackravenbushcraft.co.uk,
www.jackravenbushcraft.co.uk

The syllabus meets the IOL Statement of Good Practice. On this intensive 3 day course you will cover:

- UK knife law and its relevance to bushcraft,
- Safe use of basic bushcraft tools such as knives, folding saws and bow saws,
- How to sharpen a bushcraft knife,
- Making simple carved implements such as a tent peg or feather stick,
- Safe shelter construction, including 'A' frame and 'lean to' debris shelters,
- Importance of insulating yourself from the ground in a debris shelter by creating an improvised bed,
- Establishing fires by: bow drill, fire steel, flint and steel, lenses, mirrors, chemicals, matches, fire pistons, lighters, batteries & wire wool,
- Constructing and using a tinder bundle to light a fire,
- Locating, filtering and purifying water,
- Tree identification and uses, including food sources available from trees,
- How to prepare and make natural cordage from a variety of sources,
- Natural navigation using shadow sticks, a watch, the moon and stars,
- And of course, ensuring that we leave no trace

Throughout the course we will provide advice and guidance on tools and equipment and how to teach the skills covered to other people, whether that be individuals or groups, all based on our own years of experience.

To be added to the register of holders of the IOL Bushcraft Competency Certificate, you will need to log 120 quality hours and attend a separate assessment, as well as join the IOL and the Bushcraft Professional Practice Group. Memberships and assessments are administered through the IOL.

Take a look at our 'IOL Hall of Fame' to see photos of the people that we know have successfully taken their assessment. and gained the IOL Bushcraft Competency Certificate.
